## Support Through Transport

USKO is at the forefront of supporting people in Ukraine throughout the ongoing conflict. With our charity - Ukrainian American House (<https://www.uahouse.org/>) we have collected and shipped over \$15,000,000.00 of supplies to civilians in the warzone areas. We also delivered food/aid to the frontlines (50 deliveries per day). This would not have been possible without our partners & customers:

- Sacramento Police Department
- Sacramento Sheriffs Office
- California National Guard
- OSF Healthcare
- Santa Clara Medical Valley Hospital
- City Sacramento Mayors Office
- US-Ukraine Business Council (*we are members*)

## Example Success Stories

### CROWLEY - (DoD, USTransCom) - Tier 1 Subcontractor
